LISTENING WITH  
**A COCKER  
HEART**

 //A.CO/D/OA0PLLZR

Sometimes faith begins with simply tilting our hearts toward Heaven.

Just like a cocker spaniel listening closely to its master's voice, we grow spiritually when we pause long enough to truly hear God speaking into our lives. Inspired by the "cocker cock" lesson from the manuscript.

Begin your journey of listening and faith today:

Rescue changes everything.

Annie and Gracie were discarded and forgotten, yet they were given new life, new hope, and a loving home.

Grace works the same way in our own lives.
